The Cook Islands offers a beautiful range of properties to stay in, superb cuisine and service for that intimate or family and friends' dinner, a cascade of local tropical flowers to choose from, delicious and beautifully presented wedding cakes, a serenader to sing that Polynesian melody, gorgeous island flower girls and many more wonderful elements to complete your romantic wedding.

Other fun romantic adventures include snorkeling in Aitutaki lagoon (heaven on earth as so many say) a picnic at the beach, a safari ride around the island, or hiring a convertible in Rarotonga to cruise around the island. With Weddings Cook Islands, couples can exchange their vows in the morning, take a dip in the lagoon in the afternoon and then enjoy a candlelit dinner in the moonlight.

Most of all, it is uninterrupted romance in the Cook Islands, as the Weddings Cook Islands team work discreetly behind the scenes.

## Wedding Reception

**A Cook Islands wedding reception is the best kind - relaxed and filled with laughter and dancing, all set against a beautiful backdrop of coconut palms, soft white sand, blue water and amazing sunsets.**

### Our Venues

Weddings Cook Islands offers a wide variety of venues for your Cook Islands wedding reception.

Venues and experiences include: a complete Polynesian cultural experience including Cook Islands cuisine and entertainment, the white sands of a beautiful lagoon, the lush gardens of a tropical jungle, a hill-top overlooking a vast panoramic view of the Pacific Ocean, and much more.

We also have a diverse range of excellent restaurants & bars, resort function rooms and cultural villages at our finger-tips to create your wedding reception.

The great thing about a Weddings Cook Islands wedding reception is that we can offer locations that grant you total privacy and intimacy and the canvas is yours to create what you really want!

### Let's Dream...

Picture this: you are staying at the beachfront villas which you fell in love when you saw them on our website. We have coordinated a white wedding tent for 30 people with full table, set up and decorated with traditional Cook Islands floral arrangements. Inside, tropical flower centre pieces of gardenia scent the air. The white linen table clothes and silver cutlery that you chose provide that pure and refined look with lemon bows decorating the chairs, adding a shade of citrus to the event. You have selected one of our local chefs to cater, starting with a selection of canapés showcasing local produce. You have made sure that some vegetarian options are available as you know one or two of your guests don't eat meat and you have a delicious selection of Australian and New Zealand wines on offer topped off with the addition of the local beer for your Dad and your new father in law.

The photographer has captured the most stunning shots of you two as you walk back from the beach to the island tunes of the local string band. The sunset just fades behind you. Flares have been lit in the garden and as everyone stands to greet both of you the DJ plays your favourite song; the one that means so much to you...

### Wedding Reception Set-up

Every wedding reception should be about you – your style, your tastes, your dreams and we can make that happen.

### Wedding Ideas – Lets start planning

We deliver receptions of all sizes from small groups of 4 to 50. So whatever your reception plans, we have the planners that know how to deliver.

Remember the canvas is clear and you are the artist who can create your own setting, décor, menus, music and much more.
